

Calendar for the second term for Master in Quantum Science and Technology 2020-21

- The second term starts on **January 18th, 2021**. Lecturing will take place through to March 19th, 2021.
- The exam period will be **22nd – 26th March**.
- We will use the following classrooms:
 - Aula 0.15 (18th -25th Jan)
 - Aula Informática 2 (26th Jan – 19th March)
- The schedule of classes will be following.

18:50-19:40					

FP: Fields and Particles,
QT: Quantum Technologies;
MT: Mathematical Tools;

QAC: Quantum Aspects of Cosmology;
TFP: Topics in Fundamental Physics;
SPTS: Semiconductor Physics, Transport and Spintronics

QI: Quantum Information
AQO: Advanced Quantum Optics
STSS: Superstrings & Supersymmetry
